Former Resident Dead

Word was received this month that Mrs. Jason (Sadie) Lantz, passed away at Gainesville, Florida. Mrs. Lantz was a member of the Freeland Methodist Church at the time of her death and for many years before. She and her husband had made

their home in Florida for the past few years. They last visited here in 1961 and stayed for the observance of their church's 115th Anniversary, when Mrs. Lantz and three other persons received recognition pins for their participation in a mixed quartet which sang at many church occasions prior to the first world war.

LITTLE LEAGUE

The Freeland Little League has tentatively set May 11 as opening day. It was agreed by all parents attending our two registration meetings to donate \$5 per family in order to provide for our years expenses. We thank all the parents who have made their donation. Your support is greatly appreciated. A friendly reminder is in line, too, to the parents who intended to donate, but have not as yet. Would you please forward your contribution

to Al Harvie, Rt. 3, Freeland. We are still \$400 from our budget.

It is necessary to rebuild our diamond at the Elementary School, but about 18 C.Y. of topsoil and about 15 C.Y. of sand is required to do the job. Ken Robishaw, OX 5-9249, would greatly welcome a call from anyone willing to donate any or all of this material as soon as possible. Thanks ... Al Harvie, Treas., Freeland Little League

fall of 1963. To date we have (three(3)) tentative elementary teachers ready for contract signatures.

In regards to additional staff, within the Freeland Schools for the coming 63-64 school year, Mrs. Thayer and Mr. Bacon are at the present time evaluating their student-teacher ratios and the facilities available and from all indications, I would say that we will not add additional staff at the elementary level. There may be an additional staff member at the secondary level.

PAYING THE BILL
**
A group of college stu-
dents went into a res-
taurant for a snack.
Their combined bill ran
to \$6, and they agreed
to split it equally.
Then it was found that
two of the students had
no money with them, and
the others had to pay
an additional 25¢ each
to make up the resul-
tant deficit.
How many students were
there in the party???
(copyright 1960-Post-
script)

ANSWER: There were eight students present.
